

CENTRAL SHEEP & WOOL RESEARCH INSTITUTE, AVIKANAGAR
HRD SECTION

File No. HRD/2014-15/ 760

Date: 06.08.2014

Website news

The institute will conduct four training programs on Artificial Insemination and Oestrus Synchronization in Sheep for the field veterinary officers/academicians/researchers during the year 2014-15. The programs will be mainly sponsored by Central Wool Development Board (CWDB), Ministry of Textiles, Government of India and partly by Mega Sheep Seed Project and Network Project on Sheep Improvement. The total training expenditure will be borne by the sponsors. However, TA and DA will be borne by respective state departments/boards/institutes of the trainee. The detailed date wise training calendar for the year 2014-15 is mentioned below. Interested participants may apply through proper channel. The nominations will be confirmed on first cum first serve basis. For more details please write to hrdcswri@gmail.com

Training date

Sr.	Training title	Tentative dates
1.	Demonstration of Estrus Synchronization and Artificial Insemination in Sheep	20-26 August 2014
2.	Demonstration of Estrus Synchronization and Artificial Insemination in Sheep	3-9 September 2014
3.	Demonstration of Estrus Synchronization and Artificial Insemination in Sheep	4-10 February 2015
4.	Demonstration of Estrus Synchronization and Artificial Insemination in Sheep	18-24 February 2015

Training program schedule

Date	Activity
Day 1	Registration, inaugural function and lead lecture Establishment of AI laboratory Preparation of vaginal sponges for estrus synchronization
Day 2	Sponge removal from the ewes of farmer's flock Semen collection, evaluation, dilution, preservation
Day 3	Sponge removal from the ewes of farmer's flock Semen collection, evaluation, dilution, preservation
Day 4	Artificial insemination in the ewes of farmer's flock
Day 5	Artificial insemination in the ewes of farmer's flock
Day 6	Sponge insertion in the ewes of farmer's flock
Day 7	Feedback and closing ceremony
